NOTICE OF INTENT TO ACT UPON A REGULATION

Notice of Hearing for the Adoption of Permanent Regulations of the Transportation Services Authority of Nevada

The Transportation Services Authority of Nevada will hold a PUBLIC HEARING at 10:30 AM on November 22, 2005, at 2290 South Jones, Suite 110, Las Vegas, Nevada. In addition, interested parties may participate, via teleconferencing, at the Sparks Location; 75 Bank Street, Sparks, Nevada 89431. The purpose of the hearing is to receive public comments from all interested persons regarding the adoption of regulations that pertain to the regulation of charter buses under Chapter 706 of the Nevada Administrative Code.

The following information is provided pursuant to the requirements of NRS 233B.0603:

1. The proposed revisions to Chapter 706 of the Nevada Administrative Code are needed to address significant changes in Federal law as they pertain to the regulation of the charter bus industry.
2. The proposed revisions to the Authority's regulations are intended to bring current regulations into compliance with recently enacted Federal legislation (49 USC 14501) as it pertains to any states' power to regulate the charter bus industry. A draft of the proposed regulations is available by contacting the Transportation Services Authority at 2290 South Jones, Suite 110, Las Vegas, Nevada 89146, or by calling the Authority at 702-486-3303 or 775-688-2800.
3. Estimated economic effect of the regulations:
 - a. On the businesses that the proposed regulations are intended to regulate, the proposed regulatory changes should have neither an immediate nor long-term impact of any significance on the industry. This assessment is based not only upon nature of the proposed revisions, which simply remove certain oversight responsibilities of the TSA over the charter bus industry, but also reflects the failure of any carrier to identify any economic impact when such information was solicited at the October 11, 2005 Workshop.
 - b. The proposed additions should have no economic impact on the public.
4. The Authority does not expect to incur any additional expenses as a result of the proposed regulation.
5. The Authority is not aware of any overlap or duplication of any proposed regulation with any state or local regulations.
6. There are no requested increases in fees.

Persons wishing to comment upon the proposed action of the Authority may appear at the scheduled public hearing or may address their comments, data, views or arguments in written form to the Transportation Services Authority of Nevada, 2290 South Jones Avenue, Suite 110, Las Vegas, Nevada 89146. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Authority may proceed immediately to act upon any written submissions.

A copy of this notice and the proposed regulation will be on file at the State Library, 100 Stewart Street, Carson City, Nevada, for inspection by members of the public during normal business hours. Additional copies of the notice and the regulations to be amended will be available at the offices of the Authority at 2290 South Jones, Suite 110, Las Vegas, Nevada 89146; and 75 Bank Street, Sparks, Nevada 89431, and in all counties in which an office of the agency is not maintained, at the main public library, for inspection and copying by members of the public during normal business hours. A reasonable charge may be imposed for copies if it is deemed necessary.

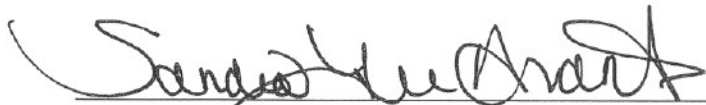

Upon adoption of any regulation, the agency, if requested to do so by an interested person, either before adoption or within 30 days thereafter, will issue a concise statement of the principal reasons for and against its adoption, and incorporate therein its reasons for overruling the consideration urged against its adoption.

NOTICE: A sign language interpreter will be provided if requested. The Transportation Services Authority will make reasonable efforts to assist and accommodate physically handicapped persons desiring to attend its meetings and hearings. Please call 775-688-2800 or 702-486-3303 at least five working days prior to the meeting or hearing.
